PROCEDURES TO AD HOC CONTRACTORS AND VISITORS GOING UNDERGROUND

1. METHANE GAS and CONTRABAND

Methane gas is encountered on the Mines in the Evander district, and in view of this certain fiery mine regulations have been imposed upon us. The following instructions are based on the Minerals Act and Regulations regarding contraband:

**NO PERSON** shall take into the workings of the Mine, or have in their possession in the workings, any device for the intentional creation of any arc, spark or flame or any match or appliance of any kind for striking a light.

**NO PERSON** shall smoke in the workings or take into the workings or have in his possession in the workings any pipe, cigar, cigarette, tobacco other than chewing tobacco and snuff or any contrivance or material for smoking.

Cameras may be taken underground with the permission of the Unit Manager provided he has made adequate arrangements for the testing of gas.

2. PROTECTIVE CLOTHING

The following protective clothing is provided for your safety during your visit:

2.1. Overall
2.2. Hard hat
2.3. Cap lamp
2.4. Boots
2.5. Self Contained Self Rescuer

3. SHAFT PROCEDURES

3.1. Do not enter the conveyance against the red light.
3.2. Do not enter the conveyance unless you have been told to do so.

4. TRAVELLING PROCEDURES

4.1. Travel on the travelling way side and not between the rails.
4.2. Travel through small ventilation doors only.
4.3. Remain stationary and clear from the rails when any rail bound vehicles approach.

5. GENERAL

5.1. Report to your guide, should you sustain any injury whilst on your mine visit.
